

FAKE IT - MAKE IT

1. **Smash:** Now I recall, we were very small,
But our brains were bigger than yours are now.

Grab: Soon you'll learn, you can start to earn,
Wave goodbye to morals, we're selling out!

Smash: Coz we're oh so sneaky and stealthy,

Grab: Now we're oh so suddenly wealthy.

CHORUS Group 1: *If you can fake it, make it cheaper than the competition.*

Group 2: *I've got a lesson in business for you.*

Group 1: *If you can sell them, tell them anything to make them listen.*

Group 2: *Do what you can just to shake on a deal.*

Groups 1 & 2: *It's the best time of year to make a penny or two.*

All

2. Market well and they'll never tell
That the gift inside is a waste of time.
Flash a smile, go the extra mile
And then have them sign on the dotted line.
Coz we're oh so sneaky and stealthy,
Now we're oh so suddenly wealthy.
