

Reasonable Adjustments for School Uniform

Uniform

At Ivy Bank, we do expect all pupils to wear our uniform, but we also appreciate that for some pupils, adjustments need to be considered. If you have any queries or concerns about reasonable adjustments to the uniform to support your child, then please contact Mrs Barber or Mrs Gill.

If your child requires adaptive uniform such as soft collared polo shirts or seamless socks, then many of the high street outlets now offer these:

School Uniform:

[School Uniform – Adaptive Clothing UK](#)

[Sensory Schoolwear shirts, trousers, sock & shoes | Fledglings](#)

[Easy On Easy Wear - Sensory School Uniform | George at ASDA](#)

[Adaptive Clothing for Kids | Assisted Dressing | M&S \(marksandspencer.com\)](#)

[All Clothing — Sensory Smart](#)

School shoes:

[Older Kids' Shoes - Junior, Secondary & High School | Clarks UK](#)

[Friendly Shoes Adventure \(KIDS\) | Fledglings](#)

School socks:

[Easy On White Seamless Toe Cotton Rich Ankle Socks 5 Pack | Kids | George at ASDA](#)

[3pk of Ultimate Comfort Socks | M&S Collection | M&S \(marksandspencer.com\)](#)

As with all reasonable adjustments, these are personal to the child and in all instances, we would encourage you to make contact with either your child's teacher or our SENCO, Mrs Barber.
