Statement of intent

All AET policies are written to support our schools and communities. We do this by ensuring they are always in line with our Colleague Values:

Applying these values to everything we do means always acting with integrity, in the interests of others, being honest, open and transparent and putting the safety of our children first.

Ivy Bank Primary School is a vibrant, enthusiastic, forward-thinking and safe learning environment in which pupils are given every opportunity to complete a fulfilling education.

We believe that homework plays an important part in education and the benefit of doing homework must be instilled at an early age so that independent study can be achieved.

We are also aware that pupils have opportunities and experiences outside of school that are equally important in developing and enriching their lives. We will give careful consideration to ensuring homework is well-balanced across the school.

This policy was developed in consultation with staff members, parents and pupils, and with the full agreement of the governing board.

Aims

This policy aims to:

- Ensure that parents understand what is expected of their child.
- Encourage pupils to develop the responsibility and self-discipline required for independent study.
- Embed knowledge and support pupils' learning experiences via revision and reinforcement.
- Work with parents and involve them in their child's learning, and to keep them informed about the work their child is undertaking.
- Use homework as a tool for raising standards of attainment.
- Extend learning beyond the classroom.

3. The school's approach to homework

The school understands that setting, marking and providing feedback on homework is a large contributor to the workload of teachers; therefore, heads of departments and teachers will ensure that homework is only set to positively impact pupils' progress.

Prior to homework being set, teachers will ask themselves, 'Why am I setting this homework?' and 'How will this homework be useful to the pupil?' If the answers to these questions do not reflect a positive impact on pupils' learning, teachers will use their professional judgement and decide whether the homework is necessary.

Homework may be set via an online platform ie. Google classrooms, TTRS, etc where pupils and parents can view homework tasks, reducing printing costs and the number of lost homework sheets.

If a teacher has a query, their leadership team will offer guidance and support regarding the school's procedures.

Teachers will explain the school's approach to homework to parents at the parents' evening in Autumn Term.

Timely reminders will be given of what is expected of pupils with regards to homework.

Pupils will use homework books to complete their homework or will be issued with a homework folder to keep their homework neat and organised.

Pupils will receive homework on a weekly basis which will be returned at the time and date as specified by the class teacher.

Pupils' weekly homework activity will be designed to take around 30 – 90 minutes, depending on the age of the pupil.

Homework will be marked every week and returned to the pupil via the homework folder/book.

Parents will be encouraged to discuss any errors with their child. If they have any queries, they should make an appointment to see their child's teacher. Feedback from parents about their child's homework will also be welcomed by the school.

The amount of homework set for pupils will increase as they progress through their education.

Teachers will occasionally set extra homework for the whole class if they deem it beneficial.

The table below shows expected homework. Tasks may be set in addition to the below activities.

There may be exceptions to the above and the classroom teacher will decide whether homework should be set on a case-by-case basis.

If a pupil is absent for a long period of time, the teacher and the parents of the pupil will agree on what should be done and how much help should be provided.

Catch-up support will be provided to absent pupils in order to help them catch-up with homework.

Absences when homework is set and due will be managed in line with the school's Attendance and Absence Policy.

5. Pupils who fail to complete homework

All pupils will be expected to complete homework on time.

Teachers will keep records of pupils completing homework which are regularly checked.

If pupils fail to complete homework, teachers will contact parents to find what the reason for this is.

Teachers will make efforts to support pupils who are struggling to complete homework and will raise any concerns regarding their pupils' ability to complete homework to the principal and/or parents as appropriate.

Pupils who refuse to complete homework will be disciplined in line with the Behaviour Policy.

6. Marking homework

Pupils with SEND will be supported in accordance with the school's SEND Policy.
