

Friendship

Here are some poems for you to read about friendship

I can be a pal

by: Kristen Smith

I can be a pal by smiling at you.

I can be a pal when you feel blue.

I can be a pal who is honest and kind.

I can be a pal when you're in a bind.

I can be a pal by saying please and thank you.

I can be a pal when no one wants to.

I can be a pal every single day.

I can be your pal, what do you say?

I met so many friends this year
And every single day
We share and laugh, and try to care
In every single way

With all the things I've learned this year
A favorite's hard to choose
But I'll always remember this
And pass it on to you:

If I'm kind and do my best
There's nothing I can't do
I'll work hard, reach for the stars
With love and help from you
And if I believe that I can be
Brilliant as I grow
The happiest me is what you'll see
Everywhere I go!

We are all born
in a different way
How we look
and what we say

From different countries
around the world
of different genders:
boys and girls

of many sizes
and colors, too
The things we like
and the things we do

We're sure glad
it works this way
The world is so colorful
everyday

If everyone
were the same, you see
You wouldn't be you
and I wouldn't be me!

MAKING FRIENDS

This is something I know is true...
To make a friend, you need to be YOU!
You and Me ~ Me and You
Make a move... it's easy to do!
Share a smile with not just one
But try your best with everyone!
Listen, help and try to share
Playing is best, when you are fair.
Start right now and give it a try
Even if you are feeling shy.
A brand new friend can be so fun!
It's a warm kind of feeling, like a
game just won!
Sometimes we wait for others to
start... but step on out and share your
heart! ❤️ ❤️
Here you go now... it's easy, you'll see
A friend for you and a friend in me!
