Year Group	Autumn Term	Spring Term	Summer Term	
EYFS 1	Number Space, Shape and Measure	Number Space, Shape and Measure	Number Space, Shape and Measure	
Reception	Sorting, matching, comparing objects Representing numbers 1-5 Comparing numbers 1-5 Subitise groups up to 5 objects Counting forwards and backwards (to 5)	Comparing numbers 1-5 Composition of numbers Numbers 6-8 Introduction to addition (combining groups) Pairs Numbers 9-10 Number bonds to 10	Numbers beyond 10 Adding and taking away (first, then, now) Doubling Sharing and grouping Odd and Even Patterns and relationships	
Year 1	Counting within 100 Comparison of quantities and part-whole relationships Numbers 0-5	Recognise, compose, decompose and manipulate 2D and 3D shapes Numbers 0 to 10 Additive structures Addition and subtraction facts within 10	Numbers to 20 Unitising and coin recognition Position and direction Time	
Year 2	Numbers 10 to 100 Calculations withing 20 Fluently add and subtract within 10 Addition and subtraction of two-digit numbers (1)	Introduction to multiplication Introduction to division Shape Addition and subtraction of two-digit numbers (2)	SATs Prep & Consolidation	Money Fractions Time Position and directions Multiplication and division (doubling and halving) Measure (capacity, volume, mass)
Year 3	Adding and subtracting across 10 Numbers to 1,000	Right angles Mental calculations Column addition 2,4,8 times tables Column subtraction	Unit fractions Non-unit fractions Parallel and perpendicular sides in polygons Time	

Year 4	Review column addition and subtraction Numbers to 10,000 Perimeter 3,6,9 times tables	3,6,9 times tables 7 times tables and patterns Understanding and manipulating multiplicative relationships Coordinates	Review fractions Fractions greater than 1 Symmetry in 2D shapes Time Division with remainders
Year 5	Decimal fractions Money Negative numbers Short multiplication and short division Area and scaling	Area and scaling Calculating with decimal fractions Factor, multiples and primes	Fractions Converting units Angles
Year 6	Calculation methods (addition, subtraction, division and multiplication) (1) Multiples of 1,000 Numbers up to 10,000,000 Draw, compose and decompose shapes	Multiplication and division Area, perimeter, position and direction Fractions and percentages	Statistics Consolidation and SATs preparation	Ration and proportion Calculation methods (addition, subtraction, division and multiplication) (1) Solving problems with two unknowns Oder of operations Mean average
