

The Ten Lepers

Luke

17: 11-19

One day, as Jesus was travelling, he met ten lepers.

Their bodies were bandaged and covered with sores. They had heard about Jesus and wanted him to heal them. Jesus told them to go and show themselves to the priests.

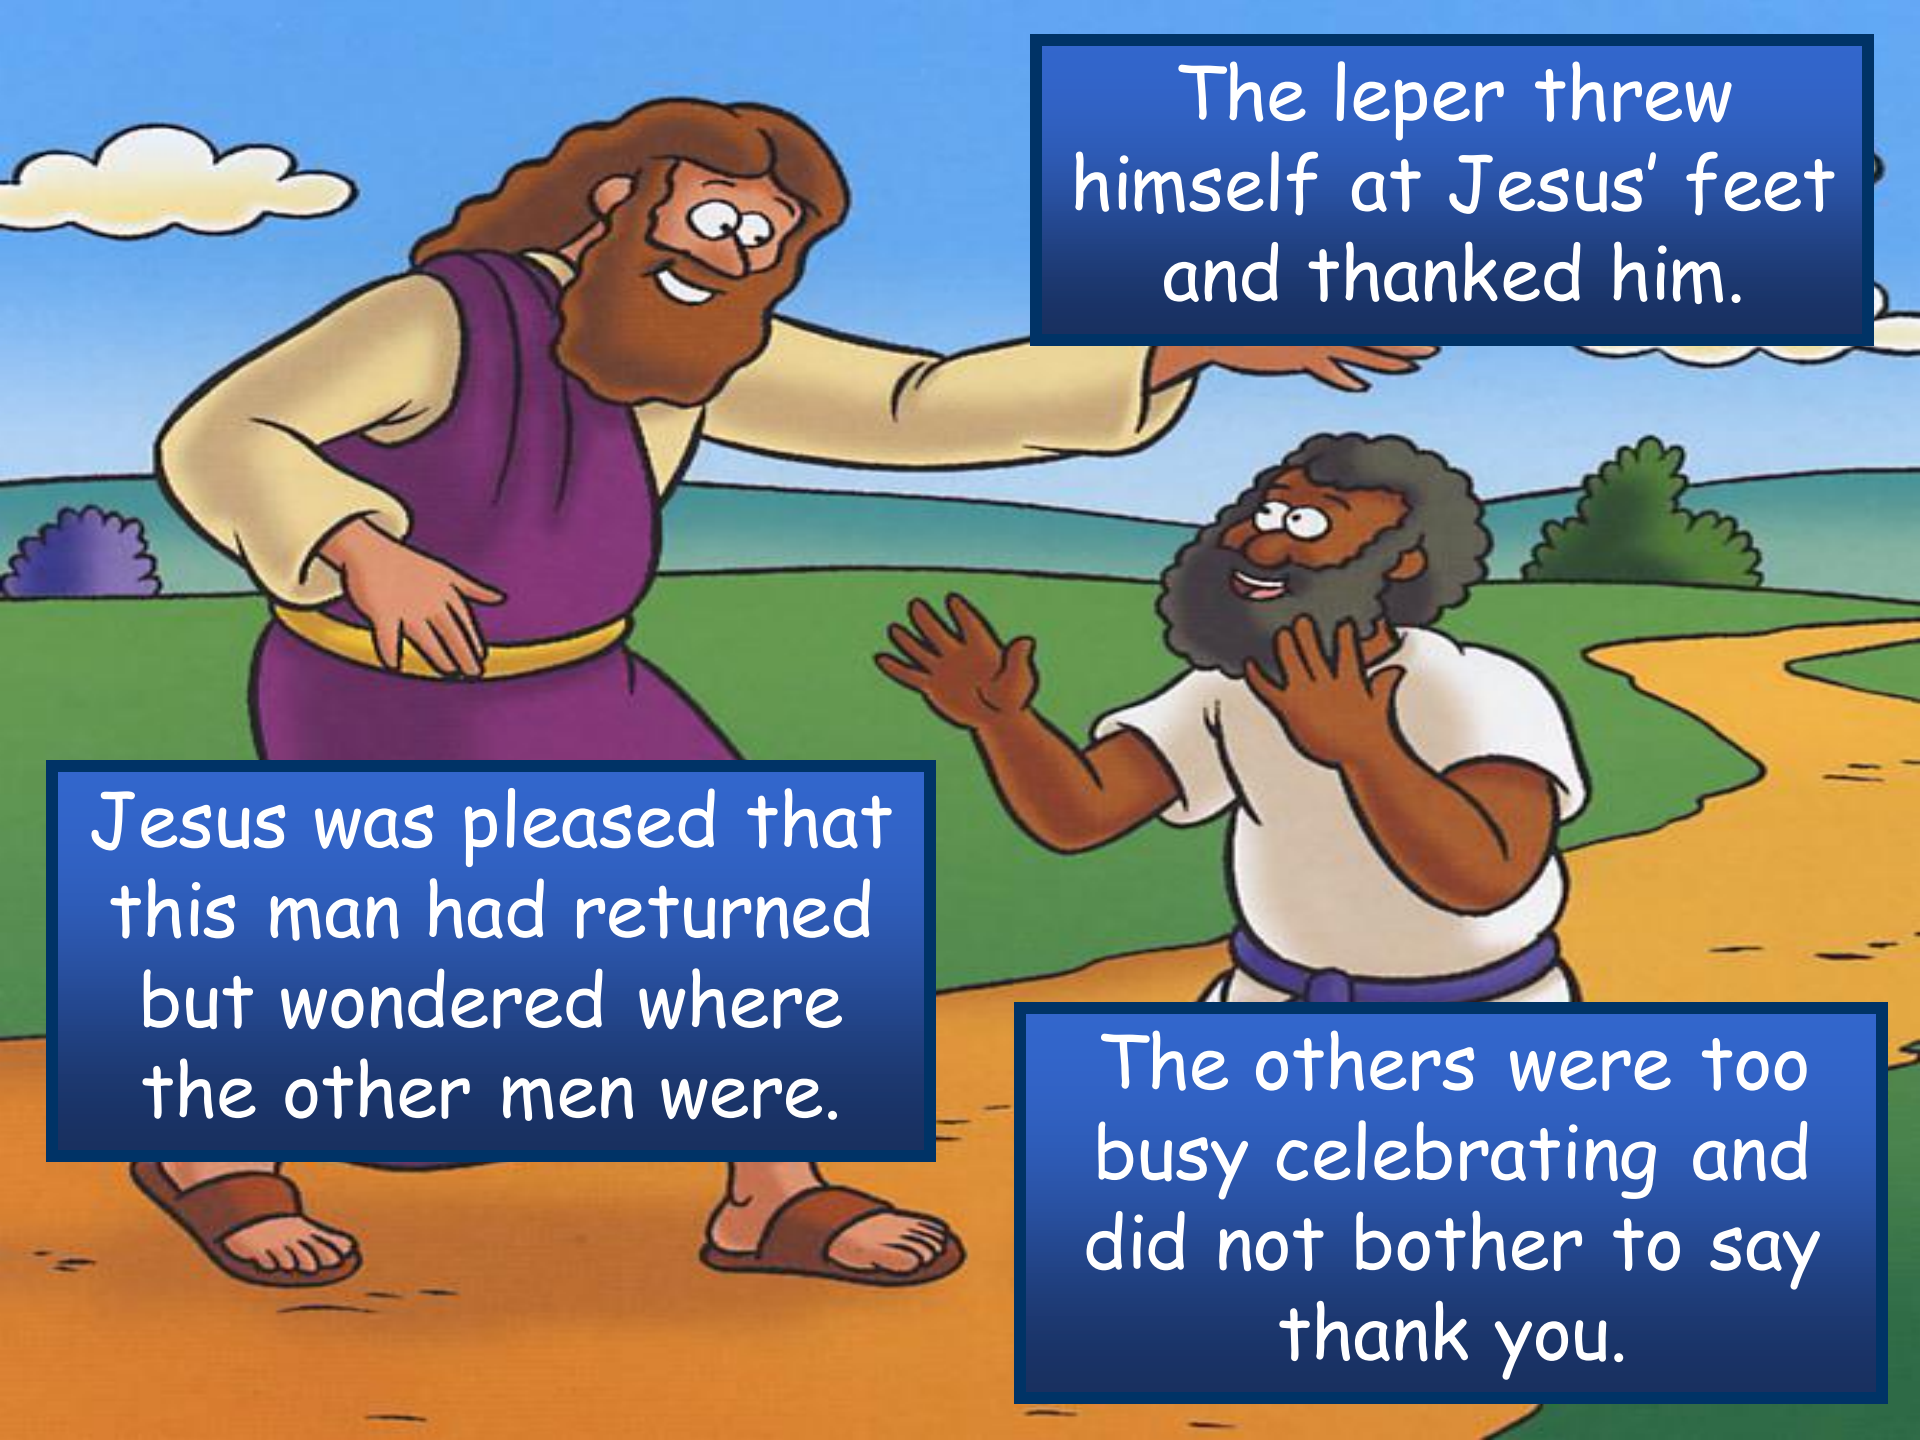

As they walked along something special happened.
They started to feel better!

They took off
their bandages
and could see
that their sores
had healed!

Nine of the lepers
carried on walking.
But one leper ran back
along the path.

The leper threw himself at Jesus' feet and thanked him.

Jesus was pleased that this man had returned but wondered where the other men were.

The others were too busy celebrating and did not bother to say thank you.
